Personnel Changes

Administration and Board Changes

The past month has brought about a number of changes in the Board constituency, for a variety of reasons. The Halpers are making some life changes that involve down-sizing and moving. After several years of guiding this project expertly to its current state, John is also in need of a much-deserved respite. John has handed Project Management tasks off to Rob Eichler. For now, and until they move, John remains on the Board, and Liz remains on the Board as Treasurer.

New Board Members

Please welcome Bob Edwards, resident of Antrim, a CVHS parent, and Vice President, Mascoma Savings Bank. Also Mary Lou O'Neil, a Hancock resident and CVHS faculty member, and Rob Eichler, parent of two CVHS grads, resident of Peterborough and management consultant for Wipro Technologies. All three have been contributing many hours of thoughtful work to frame our MOU, and on Board and committee assignments. To that end, adding them to the Board aligns their contributions with the organizational structure.

Changes on the Board

As we work toward completion of our 501(c)(3) federal non-profit status application, and to launch our project forward on the MOU tasks, the Board has made the following changes:

- Brian Pickering has stepped down as President. Rob Eichler will take his place in this role. Brian continues his Board Membership, and will head up a new committee, Connections and Synergy, in which he will continue to maintain the close ties with the SAU Board and coordination with strategic plans for the CVHS architectural improvements.
- Krystal Morin has stepped down as Vice President. She will continue as a Board Member, assisting Brian on the newly formed Connections and Synergy Committee, as well as contributing to the Marketing and PR committee. Bob Edwards takes on the role of Vice President.

Let's welcome our new Board members, and continue to support each other as we take on new roles to carry us forward to a successful future.

New Address

- The physical location of our organization has been moved from the school address to 73 Hunter
